

Concentration in Biopsychology Checklist

Effective for students who matriculated to UMBC prior to Fall 2010

Students who complete the concentration in Biopsychology are presented with a certificate recognizing their achievement. In order to obtain this certificate, you must complete this form. **In order to fulfill a concentration, students must complete ALL of the requirements for the BA or BS degree in Psychology, in addition to the concentration requirements. Courses used to fulfill a concentration can also be used towards degree requirements.** *See your Advisor regarding change in the Biology curriculum.
