

Concentration in Developmental Psychology Requirements Checklist

Students majoring in Psychology (either B.A. or B.S. degree) may choose to complete a Concentration in Developmental Psychology. Concentration coursework can be used to fulfill major requirements (e.g. Domain and Elective requirements). Completion of a Concentration is recognized with a certificate from the Department, but does not show on a student's transcript. In exceptional circumstances, some flexibility in fulfilling requirements for the Concentration may be possible, with Advisor permission.

Students who complete the concentration in Developmental Psychology are presented with a certificate recognizing their achievement. To obtain this certificate (which will be mailed), submit this completed form to the Psychology Advising Coordinator, Room 312B Math-Psychology prior to the end of the semester in which you plan to graduate. (rev. 3/15 zsw)

Name _____ Campus ID _____
Email _____ Date _____
Mailing address _____

Core Requirements (<i>ALL of the following</i>):	Semester Completed
