RE: Student Fees

We are pleased to announce that the Department of Psychology will be able to provide additional financial support to our GA funded Ph.D students in the APD and HSP programs. This financial support will provide a departmental award to cover the cost of all graduate student fees on degree coursework for a maximum of five semesters beginning in the Spring 2019 semester.

This award is available to all current HSP and ADP Ph.D. students in good standing who do not have a source of funding to cover these fees. Students with other scholarships, awards, fellowships, etc., to cover these fees will not be eligible. If you have other personal means to cover these expenses, you do not need to request this award.

If you wish to request a department award to cover your fees, please submit a copy of your Spring 2019 student billing statement to Amy Schneider as soon as you have registered for your spring classes and the award can be processed as a credit to your account. You may make this request in the same way each semester for a total of five semesters.

Please let us know if you need any additional information or if you have any questions,

Thank you.
