

# Alberta Banner Turner, Ph.D.

**1909 - 2008**

Ph.D. Psychology, 1935  
Ohio State University

Dr. Alberta Banner Turner's research was focused on psychopathology and juvenile delinquency. She devoted 27 years with the Ohio Bureau of Juvenile Affairs/Ohio Youth

commission to researching and developing treatments for youthful offenders. Dr. Turner taught at Ohio State University and worked with adolescents at the Marysville Reformatory for

Women during the same period. She is as well known for her lifelong activism and advocacy for equal rights as she is for her scholarship.
