

# Psychology Major Requirements Checklist

## Bachelor of Arts (B.A.) Degree

At least 18 credits in Psychology that will be applied towards the major must be completed at UMBC. Many courses have prerequisites: check the UMBC Undergraduate Catalog for information. Students who matriculated before Fall 2015 should discuss core requirement options with their Advisor. 35 total credits. All courses must be passed with a C or better. (Rev. 11/2024 TP)

**Please note:** Not all courses are offered each semester. Core courses will be offered each Fall and Spring semester. At least one course from each domain will be offered each Fall and Spring semester. Please take this into consideration when planning your schedule.
