

Specialty in Applied Behavior Analysis Requirements Checklist

Students majoring in Psychology (either B.A. or B.S. degree) may choose to complete a Specialty in Applied Behavior Analysis. Specialty coursework can be used to fulfill major requirements (e.g. Domain and Elective requirements). Completion of a Specialty is recognized with a certificate from the Department, but does not show on a student's transcript. **In exceptional circumstances, some flexibility in fulfilling requirements for the Specialty may be possible, with Advisor Uddfcj U'UbX'i bXYf[fUXi UH' dfc[fUa 'Xjf YW'cf' permission. Please note: Not all courses are offered each semester. Please take this into consideration when planning your schedule. (Rev 11/2024 TP)

Students who complete the Specialty in Applied Behavior Analysis are presented with a certificate recognizing their achievement. To obtain this certificate (which will be mailed), submit this completed form to the Psychology Advising Coordinator, Room 312B Math-Psychology prior to the end of the semester in which you plan to graduate.
